Subject: Certificate of Waiver or Authorization Extension for United States Army
Certificates of Waiver or Authorization 2008-CSA-3, 2008-CSA-41 and 2008-CSA-57

As you may or may not be aware, the UAS Executive Committee (ExCom), a multi-agency group, has chartered a working group to look at the COA process. While this issue is being worked, we have decided to extend existing COAs that expire within the next 90 days. If you are receiving this, you have complied with the COA incident/accident and normal reporting provisions. Therefore, an extension is granted to the United States Army to operate the RQ-7B Shadow (2008-CSA-3 and 2008-CSA-57) and Raven (2008-CSA-41) Unmanned Aircraft Systems. The new expiration dates are as follows:

2008-CSA-3: April 17, 2010
2008-CSA-41: August 31, 2010
2008-CSA-57: August 31, 2010
