DESCRIPTION OF USE:

Training: "XXXXXXXXXXXXXXXXX - **Exemption 6** Post Commander National Guard Training Site, Camp Ripley Minnesota, requests a certificate of Authorization to operate RQ-7B Shadow UAS at Ray S. Miller AAF. ...UAS flights will be conducted between 0800 and 2300 hours during scheduled annual training periods and other selected training periods. The total number of training days scheduled could vary from 90 to 120 days due to weather and equipment. The ability to train close to home enhances soldier moral, saves money, and eliminates long pre-deployment periods."
